Dear Mr Adamson

On behalf of the Chaplaincy of the University and the Medical School I am writing to invite you to a **Service of Thanksgiving** for those who have donated their bodies for medical education training and research this year to Newcastle University.

The Service will be held in the Church of St Thomas the Martyr, The Haymarket, Newcastle upon Tyne, NE99 1FR, at **6.00 pm on Thursday, 24 November 2011. Refreshments will be served from 5.15 pm when you will be able to meet staff and students.** A map is enclosed.

We expect that those attending the Service will include many relatives of those who donated their bodies, as well as staff and students of the Medical School. We hope very much that you will be able to come. Will you please extend this invitation to other relatives, friends, and neighbours, who will of course be very welcome to attend.

There is no need to reply to this letter - we just look forward to seeing you.

Yours sincerely

Dear Mr Adamson

Further to my previous letter of 15 July 2011, I am writing to advise you that St Oswald's has since received further donations, kindly given in memory of your wife, Paula.

Following 'Paula's Big Tea Party' celebration held on 28th May at Churchill Playing Fields, the amazing sum of £740.00 in cash was raised. This was further boosted by kind contributions of £20.00 from AF & L Gill & £100.00 from Blyth Triathlon Swimming Club, meaning a total of £860.00 was raised on the day!

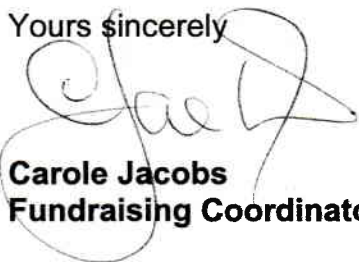

A further £100.00 donation was also received from North Shields Polytechnic Club, and together with a gift made by Mrs S Douglas, and the proceeds from a cake stall and various other events, the total amount donated in remembrance of Paula now stands at £1175.00, for which we are immensely grateful.

What an amazing tribute to your wife's memory, you must be incredibly proud.

On behalf of everyone who will benefit from the specialist services that St Oswald's provides thank you once again for considering our needs at this very difficult time.

With kind regards

Yours sincerely
